# Sentence Sense Website Redesign

- We are redesigning the website for Sentence Sense, an online grammar course.
- Creating a custom content management system for Evelyn Farbman.
- The old website no longer fulfills the goals it was intended for.

# In the last 2 weeks...

- Created a wordpress
  - Playing around with themes and code
- First face-to-face meeting with our sponsor
- Established a more defined project scope

# Difficulties

- Understanding design specifications
  - Client has her own ideas about design
  - Giving us design freedom
- Website interactivity
  - Most important aspect of the website (to the client)
  - Holding off until next quarter
  - Still have to think about it

# Greatest Achievement

# **In the next 2 weeks...**

- Focus on design
- Back-and-forth with client
- Transfer content to website
