Sentence Sense Website Redesign

- We are redesigning the website for Sentence Sense, an online grammar course.

- Creating a custom content management system for Evelyn Farbman.

- The original website is old and no longer fulfills the goals it was intended for.

Sentence Sense

In the last two weeks..

- We met with our sponsor.

- Figured out what the sponsor wanted.

- Narrowed down the scope to something that is doable in the remainder of the quarter.

- Surveyed our client on examples of sites she liked and did not like.

Difficulties & Obstacles

- Our client lives out of state and we are unable to meet in person.

- The client wanted a lot.

- Two of our group members speak English as a second language.

In the next two weeks..

- We will learn to use the tools needed and start to apply them to the project.
  - CSS, JavaScript, HTML
- We will create a sub-domain on which we can work and create a site before publishing.
- Strip the old website of the content needed for the new redesigned website.
